

Embrace the AI-powered future of work

Work with Oreta to elevate productivity and creativity with Copilot for Microsoft 365

The pace of work is outpacing our ability to keep up

Source: [2023 Work Trend Index Annual Report: Will AI Fix Work?](#) | Microsoft, May 2023

Generative AI represents an enormous opportunity

- Reduce busywork**
 Radically rethink your workday. Delegate tasks to AI and protect focus time for the creative work that leads to innovation. Produce high-quality work in half the time.
- End information overload**
 Quit mentally absorbing unnecessary information. Get answers instantly, identify only the important information, and restructure your day for success.
- Work smarter, not harder**
 Quit spending so much time in your inbox. And make meetings more efficient with AI-powered intelligent meeting recaps, transcripts, and recordings.
